Christmas Club Accounts and Christmas Wish Loans

We still offer a Christmas Club Savings Account which is great when you have direct deposit and helps to make you cash ready for the Holiday. Start yours today.

Christmas Wish Loans are available until Feb. 28th up to \$1500 at 8.0% apr for 11 months. Pay off that credit card debt at 8.0% apr rather than a higher rate!

Lease Buyout Extended

With the reported shortage of vehicles and the price tags, you may be considering buying out your lease. We think that is a great idea and we are here to help you do that. Just complete an application, call your auto finance company for a payoff statement. You will have to apply to DMV for a new title when you pay off the lease but that is really the worst of it. If you have low mileage and a great car you love, let us help you keep it!! Currently our promotion is keeping you behind the wheel at 1.90% apr.*

*certain restrictions apply

Credit Cards Are Available

If you don't have our credit card at our low rates, maybe today would be a great day to find out about them. We offer rates as low as 8.9% apr* depending on your credit score. We also offer a rewards plan that offers not only great products but you can accumulate points and have those points converted to \$\$ cash and deducted from your balance.
