

Lease Buyout Extended

With the reported shortage of vehicles and the price tags, you may be considering buying out your lease. We think that is a great idea and we are here to help you do that. Just complete an application, call your auto finance company for a payoff statement. You will have to apply to DMV for a new title when you pay off the lease but that is really the worst of it. If you have low mileage and a great car you love, let us help you keep it!! Currently our promotion is keeping you behind the wheel at 1.90% apr.*

*certain restrictions apply

Holiday Schedule for 2022

We will be closed on the following dates per Federal Reserve Schedule.

Memorial Day	May 30	(Monday)

Independence Day	July 4	(Monday)
Labor Day	September 5	(Monday)
Columbus Day	October 10	(Monday)
Veterans Day	November 11	(Friday)
Thanksgiving Day	November 24	(Thursday)
Christmas Day	December 26	(Monday)

Closing at Noon on the following dates:

Friday, April 15th (Good Friday)
 Wednesday, November 23rd (day before Thanksgiving)
 Friday, November 25th (day after Thanksgiving)
 Subject to change without Notice

Credit Cards Are Available

If you don't have our credit card at our low rates, maybe today would be a great day to find out about them. We offer rates as low as 8.9% apr* depending on your credit score. We also offer a rewards plan that offers not only great products but you can accumulate points and have those points converted to \$\$ cash and deducted from your balance.

Christmas Club Accounts

We still offer a Christmas Club Savings Account which is great when you have direct deposit and helps to make you cash ready for the Holiday. Start yours today.

Always be on the Alert for Phishing Attacks

Phishing attacks are an effort to steal your personal information and more. Always be aware of your emails and where they are coming from. Phishing attacks can direct users to spoofed websites, trick the user into downloading malicious files, or trick the user into giving away sensitive information.

If you receive a phishing email, it does not mean your account was hacked or anything was compromised. All a phisher needs is an email address to send a fraudulent email.

Awareness is the best step toward protecting yourself and others' sensitive information!

Stay Safe!
