Credit Cards Are Available

If you don't have our credit card at our low rates, maybe today would be a great day to find out about them. We offer rates as low as 8.9% apr* depending on your credit score. We also offer a rewards plan that offers not only great products but you can accumulate points and have those points converted to \$\$ cash and deducted from your balance.

Recreational Vehicle

When you are ready for that new ATV, RV, classic car or boat, be sure to stop in or call to hear our rates and terms. Enjoy your summer with a new toy!

Picture this: Remote Mobile Deposit

Have you signed up for this great service? As much as we love to see our members in our lobby, sometimes it just isn't convenient for you to make the trip in and deposit that check or pay on your loan.

This service is free to use and saves your gas!!

Rising Interest Rates

Due to the current economic trends everyone is hurting. With gas at the highest prices we have seen and the cost of feeding a family, you may be wondering if it will get better. Be assured that we will do our very best to keep our loan rates as low as we can and return dividends on your savings at the highest rate we can.

Reminder on Debit Card Charges

We only charge \$1 per ATM withdrawal after 2 free ATM withdrawals per month when you use the ATM located outside our office (available 24 hours/7 days a week) or any other Co-Op owned ATM. See our website for locations, on our homepage there is a link on the left side of the page.
